

April 17-22, 2007 - Doubletree Hotel – San Antonio, Texas

The Doolittle Tokyo Raid was a total secret to all involved. The members of the Raid were chosen by volunteering for a "dangerous secret mission". They did not know the target destination until the Aircraft Carrier USS Hornet was well underway. This was to prevent any "leaking" of information. Sixteen B-25 twin engine bombers took off from the deck of the Hornet and bombed several cities on the Japanese mainland. This was the first attack on Japan. The men who performed this heroic mission would later become known as the "Doolittle Tokyo Raiders."

Join us in San Antonio, Texas as we celebrate Jimmy Doolittle's Tokyo Raiders' 65th Reunion. For many, this is a once in a lifetime opportunity to take part in a historic event of this magnitude and importance. Since the original raid, the Doolittle Raiders have celebrated their strike against Japan with an annual Reunion. Their 2007 Reunion in San Antonio promises to be an outstanding event. Proceeds will benefit San Antonio's "Any Baby Can" and the Yellow Rose "B-25."
